

# Trades Week 2018

September 17-21, 2018 | Construction sites across Rutherford County

## Highlights

---

185 Students & 15 Administrators & Teachers

5 Schools

7 Construction Tours

## Summary

---

The Rutherford County Chamber of Commerce and Rutherford Works celebrated Trades Week this year by coordinating tours with local trade and construction companies for middle school and high school students, as well as teachers and administrators. This week is designed to inform student and educators about careers in construction and give them a chance to see those careers up-close. Students also had the opportunity visit Rockvale High School, Rutherford County's newest addition, while it was still under construction.

Trades Week Tours were hosted by: Middle Tennessee Electric Membership Corporation, TCAT Murfreesboro/Smyrna Campus, Rockvale High School, HCA, Siegel High School, and DeAngelis Diamond Construction

Participating Schools: Rockvale Middle, Blackman Middle, Christiana Middle, Oakland High, and Holloway High Schools
