2019 SENIOR HIRING EVENT RECAP

45%
Received
Job Offers

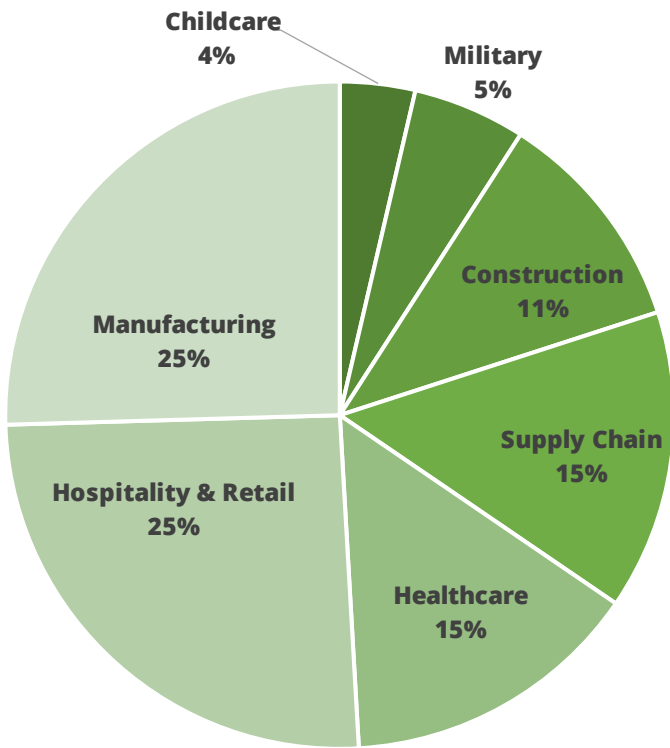

The Rutherford Works Senior Hiring Event Was Created to Connect Graduating High School Seniors with Employers in High-Wage, High-Demand Industries.

We are excited about the prospect of hiring some very bright and intelligent employees who already exemplify the culture and values of our company. - O'Reilly Auto

"This provided an opportunity to talk and reach a sometimes untapped or underused source of young talent."
- Somerset Logistics

"Having a senior hiring fair allows students to come in on the same level with each other. Some students who are not normally excited are moved by the potential from the employers."
- Emily Colbert, Riverdale CTE Teacher

"I learned about opportunities that are available. I felt like I was seen as a person & have a chance to do something with my life."
- Jesus, Smyrna West Student

"I loved the event. Everyone was so friendly and really informative. They were willing to tell you the ins and outs. I'd definitely recommend this to other students."
- Jordan, Oakland Student
