

Happy
Thanksgiving!

We Appreciate You!

We're thankful for our local industry and education partners - both new and existing.

Our longtime partners have helped us think of new ways to engage with our local workforce. Our K-12 friends, along with post-secondary education partners, have allowed us to continue planning programs to reach the youngest members of our talent pipeline. Our newest partners have helped us share information about opportunities for business growth and employee development, despite the challenges 2020 presented. These endeavors would not have been possible without the support and determination of our partners and friends.

We hope you all have a wonderful and safe Thanksgiving and know that we are thankful for you!
